### **Girl Scouts Says Goodbye To Savannah Smiles**

#### Popular Girl Scout Cookie To Be Discontinued In 2019

**Atlanta, GA** (February 27, 2019) – Savannah Smiles, one of Girl Scouts favorite special edition cookies, will no longer be available after the 2019 cookie season. This popular addition to the Girl Scouts cookie flavors was introduced in 20--.

To make room for some new flavors in select markets, Girl Scouts will retire Savannah Smiles, an instant hit with customers and food influencers in the Southeast. In an effort to satisfy the demand of customers, Girl Scouts will add special edition varieties to our cookie collection for those who want to try new flavors.

“We are sad to see the Savannah Smiles discontinued from our popular cookie selection, however, we look forward to a new cookie offering in 2020 that is sure to be a hit with our customers who love the classic Girl Scout Cookies but want to a new choice” said Alantria Harris, Senior Director of Product Programs.

Girl Scouts of Greater Atlanta is currently in full swing for cookie season. Cookie booths can be found throughout Atlanta for customers who are looking to buy Girl Scout Cookies on the spot. Troops in over 30 counties will be selling direct to the public through **March 16, 2019**. This year select troops will have Clover card readers in hand for customers who want to make their purchase using a credit card or other popular mobile payment method.
