

CAMPSITE 411

Girl Scouts of Greater Atlanta, Inc.

What is provided for us at each campsite/cabin?

Although each living unit (tents or cabins) is unique, you can request to have certain equipment available in your unit. Options for this equipment include cast iron for cooking over the fire (small, medium, and large Dutch ovens as well as small and large skillets), charcoal chimney, pie irons, an electric kettle*, coffee maker* or crockpot*.

*These items may be limited to one per unit pavilion depending on availability on any given weekend. If supplies allow, we may be able to accommodate more; however, we can only guarantee supplies of one per unit pavilion.

Each Unit has on hand at all times: one rake, metal bucket and broom; one-two shovels; fire extinguisher; three dish pans; one trash can; clearly posted directions to the nearest hospital and clearly posted emergency weather procedures. Some cabins come equipped with almost everything you need for your weekend including kitchens. Be sure to bring basic cleaning supplies with you each visit (to wash dishes & wipe down appliances/counters). Each unit has a posted Kaper chart for use when preparing for check out at the end of your visit.

When do we submit our troop camping application?

Registration opens on April 1 each year for Troop Camping for the entire Girl Scout year (October thru September). We now have online registration for Troop Camping. Check the live up to date availability before you register. Make sure to list the adult who have completed the Troop Outdoor Certificate and your First Aider/CPR person. Include all adults attending so that we may verify they are registered Girl Scouts and have a completed background check on file.

When are the units available?

Always double check the online availability to see when units are available. Council staff host events on site and many weekends are reserved for these programs. Cabin units are open from September to May. The Platform tent camping and primitive camping at all camps begins the last weekend of March and ends the weekend before Thanksgiving.

How accessible are the units for people who use a wheelchair or have limited mobility?

Accessibility is different at each camp and unit. Each campsite and many of the program areas are listed by camp and campsite so that you can determine if the unit will meet the needs of everyone in your troop/group. Every effort is made to accommodate needs if we have prior knowledge of the need, however we cannot guarantee that every area of the camps is barrier free or wheelchair accessible. If you would like more information about accessibility for different units, please contact the Assistant Camp Director – 3 Seasons.

Troop Camping Confirmation and Arrival Information

You will receive an auto-reply confirmation with details after you successfully complete your online registration. This will include a form that must be completed and returned listing all the names of all the girls and adults camping. It is due at least two-week prior to your camping date. All payments are due 1 month prior to your camping date. You will receive a reminder notice. The Assistant Camp Director – 3 Seasons will send communications leading up to reservations via email. These will include information about the reservation and include an electronic welcome packet covering "What to Expect" information. The camp site team stewards the girls' camps and eagerly awaits your arrival.
