

CAMPSITE 411

Girl Scouts of Greater Atlanta, Inc.

What is provided for us at each campsite/cabin?

Although each living unit (tents or cabins) is unique, each unit contains the following equipment: cast iron for cooking over the fire (dutch ovens and frying pans: one large and one small of each), one rake, one metal bucket, one broom, one shovel, fire extinguisher, three dish bins, one trash can, clearly posted directions to the nearest hospital, and clearly posted emergency weather procedures. Some cabins come equipped with everything in one building, including kitchens. Others have basic cots or mattresses for sleeping only (you cook over the campfire). Most of our tent units have flush toilets, but some have latrines so read the description for each unit closely! Each unit has a posted Kaper chart for use when preparing for checkout at the end of your visit.

When do we submit our troop camping application?

Check the [website](#) for when registration opens for Troop Camping for the entire Girl Scout year (October through September). Registration is online for Troop Camping. Check the live up-to-date availability before you register. Make sure to list the adult(s) who have completed the Troop Outdoor Certificate and First Aider/CPR trainings. Include all adults attending so that we may verify they are registered Girl Scouts and have a completed background check on file.

When are the units available?

Always double-check the online availability to see when units are available. Council staff host events on site and many weekends are reserved for these programs. Cabin units are open year-round. Platform tent camping availability at all camps begin between the middle and end of March and end in November.

How accessible are the units for people who use a wheelchair or have limited mobility?

Accessibility is different at each camp and unit. Each campsite and many of the program areas are listed so that you can determine if the unit will meet the needs of everyone in your troop/group. Every effort is made to accommodate needs if we have prior knowledge. We cannot guarantee that every area of the camps is barrier-free or wheelchair accessible.

Troop Camping Confirmation and Arrival Information

You will receive an auto-reply receipt/confirmation with details after you successfully complete your online registration. This will include a link to a form that must be completed and returned listing the names of all the girls and adults camping. It is due at least two weeks prior to your camping date. All payments are due 1 month prior to your camping date. You will receive a reminder notice via e-mail. One to two weeks before your troop camping weekend, the assistant camp director will send you an electronic welcome packet requesting your arrival time and confirming your participant numbers. The camp site team stewards the girls' camps and eagerly awaits your arrival.

Girl Scouts of Greater Atlanta, Inc. is committed to providing excellent customer service to all who visit our council facilities. Please contact Mary Grybeck, Sr. Director of Outdoor Program and Girl Experience; mgrybeck@gsgatl.org or 770-702-9113 with any comments or concerns.
