

HOW TO CREATIVELY USE A QR CODE

that links to your Girl Scout Digital Cookie site!

- **NEW!** The Digital Cookie Mobile App will provide each girl with her very own QR Code this year!

QR codes will be available in the app January 16.

How to scan a QR Code:

1. Take a SmartPhone and open your Camera App
2. Hover their phone over the image of the QR code
3. Be redirected to a Girl Scout's Digital Cookie page to place an order

Note: iPhone users will click on the message from Safari to be redirected for a purchase.

How to Create a QR Code

Try using one of these sites found when searching “free QR code creator” on Google:

1. <https://www.qr-code-generator.com/guides/how-to-create-a-qr-code/>
2. <https://www.the-qr-code-generator.com/>
3. <https://www.qrcode-monkey.com/>

Step 1:

Make sure your Digital Cookie site is set up.

Step 2:

Copy your Digital Cookie site URL from the dashboard page.

Step 3:

Input your site URL in the QR code generator. The example below is from **qrcodegenerator.com** – instructions are typically user-friendly.
