

# GSGATL Jr. FLL

## What is Jr. FLL?

Jr. First Lego League introduces girls ages 6-10 to STEM concepts using Legos! Girls work together to explore real world, scientific problems and create a *Show Me* poster and motorized model of what they learned.

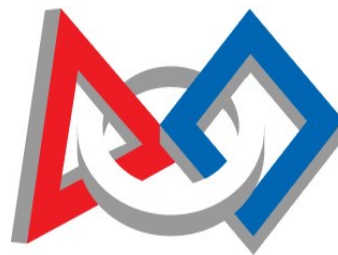

### What does being in Robotics look like?

It looks just like a troop!

- Teams have 2-6 girls and 2 parent coaches
- GSGATL provides equipment and competition fees
- You work together to learn to discover more about your topic and simple motors

### How do I become a part of robotics?

- Be a registered Girl Scout
- Form your team
- Pay \$100 team registration fee
- Sign up for a team # through GSGATL by contacting Caitlyn Brune at CBrune@gsgatl.org
- Follow further instructions from First

**FIRST**  
**LEGO**  
**LEAGUE JR.**
