

Girl Scouting at Home for Brownies

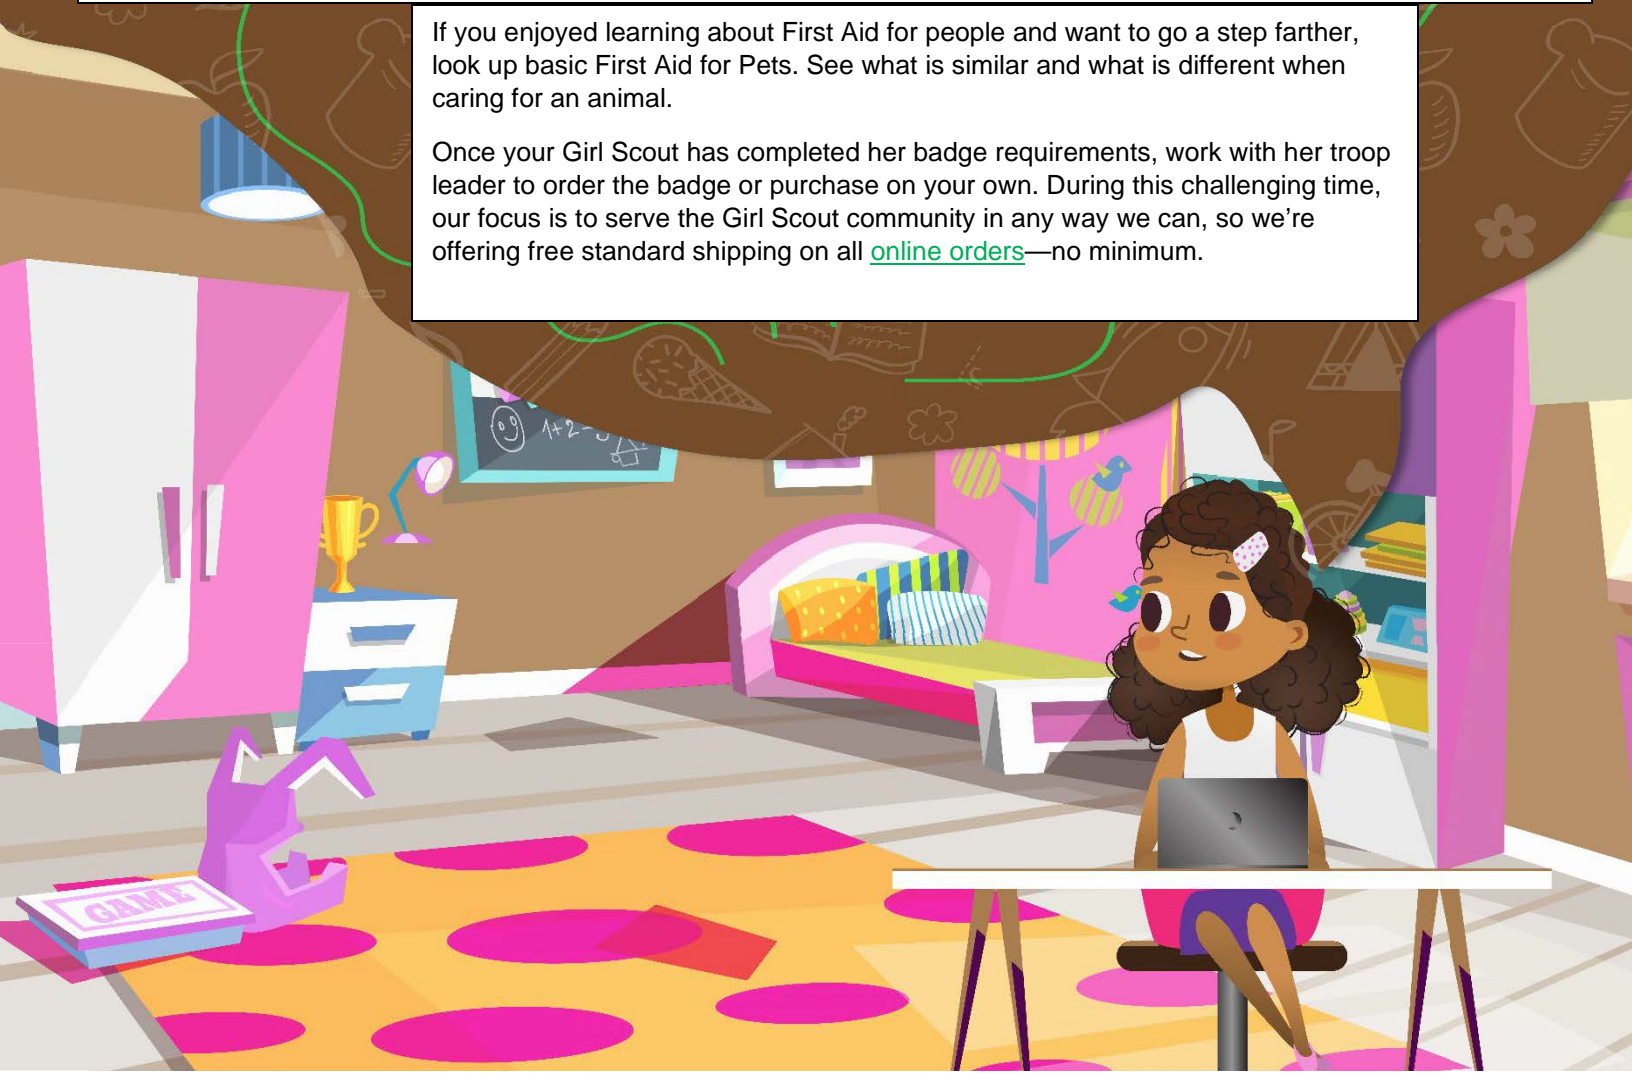

Earn your First Aid Badge

One way that Brownies can be “Friendly and Helpful” is to assist others in need. Find out what to do in an emergency so you can be ready if the unexpected happens. To get prepared you will earn the five parts of the First Aid Badge:

1. Find out how to get help from 911 - <https://www.youtube.com/watch?v=tQizsKdeGA4>
2. Talk to someone who treats injured people
3. Make a first-aid kit
4. Learn how to treat minor injuries
5. Know how to prevent and treat outdoor injuries.

If you enjoyed learning about First Aid for people and want to go a step farther, look up basic First Aid for Pets. See what is similar and what is different when caring for an animal.

Once your Girl Scout has completed her badge requirements, work with her troop leader to order the badge or purchase on your own. During this challenging time, our focus is to serve the Girl Scout community in any way we can, so we're offering free standard shipping on all [online orders](#)—no minimum.

Brain Storming!

Think about First Aid

What should I do to help someone?

Do you ever treat injured people?

Which ????

What do you need in a First Aid Kit?

Who works keeping us safe?

How can you complete the other steps in the badge?
