

## S.M.A.R.T. Goals:

# Your Gold Award Project Proposal

### Specific

What are you going to accomplish; who, what, where, and how??

**EX:** My team and I will educate the community about how to write a proper resume through seminars.

### Measurable

How can you measure success? How much, how many, how often, use NUMBERS!

**EX:** My team and I will educate 150 people about how to write a proper resume through 3 seminars.

### Achievable

Ask yourself if you will be able to achieve what you have written.

**EX:** Is your team big enough? Think about your skill set. Will you or your team need to take any courses or develop any skills first?

### Realistic

Will you have enough time? Will you be able to earn/raise enough money?

**EX:** Do you think you have enough time to host 3 seminars. Does the organization you're working with have access to that number of people?

### Time-Bound

WHEN, WHEN, WHEN? Put a timeline in place and STICK to IT!

**EX:** My team and I will educate 150 people about how to write a proper resume through 3 seminars in May 2017.
