### Dear Girl Scout Caregivers,

We are delighted you are considering giving your Girl Scout the opportunity to explore the outdoors this summer! Whether you and your Girl Scout are just beginning your journey as members of Girl Scouts of Greater Atlanta (GSGATL) or you have been a part of our community for years, we hope you are excited for your camper to experience the magic and adventure of Girl Scout Summer Camp.

Kids need a safe place where they can unplug and just be themselves, get in touch with nature, and try new experiences. That place is Girl Scout Camp! GSGATL is proud to offer both a day camp and two sleepaway camps, and each outdoor experience is packed full of special camp traditions and exciting activities—from art and music to high adventure and STEM.

When your camper attends one of our American Camp Association accredited camps, they will be a part of a program that has been inspiring curiosity, discovery and problem solving within Girl Scouts for over a century. They will have the opportunity to make lasting friendships, discover their strengths, challenge themselves, make life-long memories, and return home with a new passion for adventure.

Yours in Girl Scouting,

# Why Camp Rocks!

Our camps spark confidence and joy in the girls who attend. We call it “camp magic.”

Camp is transformative. When a girl leaves home and enters the world of camp, she grows by learning new skills and becomes stronger and happier by making new friends. Our trained and caring staff members support girls ages 5–17 in discovering who they are and who they can become. Our engaging programs and activities are designed with girls’ interests in mind so they can grow their passions and take healthy risks in a safe, supportive environment. At Girl Scout Camp, we expect everyone to always respect and treat each other with dignity, honesty, and compassion.

## Is My Girl Ready for Sleepaway Camp?

We share your desire to find the best experience possible for your camper, and for this reason, we offer a rich progression of sessions. You can choose from a variety of options such as day camp, day camp with overnight options, and traditional week-long and multi-week overnight sessions.

While Girl Scout Camp has something for every level of readiness, there are some skills and abilities that signal whether a sleepaway camp is right for your Girl Scout. We’ve created a simple guide for parents who are trying to select an appropriate program for their camper. You can find the guide and more details about each camp session at [girlscoutsummer.com](http://girlscoutsummer.com). If you and your camper decide she’s not ready for a full week of sleepaway camp, consider the day camp sessions with an optional overnight experience at Camp Timber Ridge.

## Leadership in the Outdoors

Girls dive into a whole new world of activities at Girl Scout Camp from archery to cooking over a camp fire, but they can also strengthen their skills and grow their passion for environmental stewardship through our outdoor leadership programming. All three of our Girl Scout Summer Camps provide a progressive leadership program that gives your camper the skills, experiences, and opportunities to let their leadership shine.

Counselor-in-Training I (CIT I) is a two-week experience for girls entering grades 9–11. CIT I camp is an intensive introduction to youth development, counseling, teaching, and leadership skills. At CIT I with horses (available at Camp Meriwether and Camp Misty Mountain), the girls participate in all the above programs and spend time daily at the barn learning horsemanship and taking riding lessons. There is also Guard-in-Training (GIT 1 with

Aquatics) at Camp Misty Mountain for those interested in gaining lifeguard experience in addition to the leadership training.

Counselor-in-Training II (CIT II) is the natural progression for those who were successful in the CIT I experience. This two-week program is for girls entering grades 11–12. CIT II has a strong focus on knowledge and practical experience in the critical areas of team dynamics, project management, leadership when working with peers and younger campers, and training in a specialty program area. The Wrangler-in-Training (WIT)/CIT II program (available at Camp Meriwether and Camp Misty Mountain) is for girls who have completed CIT I with horses and are ready to learn how to plan, teach, and evaluate beginner horseback riding lessons at camp, as well as increase their own horsemanship and riding skills daily at the barn. For campers that have completed GIT 1, they can return to Camp Misty Mountain for continued lifeguard training with GIT 2.

## Camp Meriwether – Unleash Your Curiosity, Creativity & Courage!

Located 50 miles southwest of Metro Atlanta in Luthersville, Camp Meriwether's cozy 270 acres of rolling hills, shady woods, and open fields offers a wide variety of classic camp activities. Saddle up with our English equestrian program for beginning to advanced riders, perform on stage, stay cool kayaking and paddle boarding, or take aim on the archery range.

Meriwether will become your camper's "home" during their stay. Girls can spend summer their way! Camp Meriwether is open to grades 2–12, including Girl Scouts who are Brownies, Juniors, Cadettes, Seniors, and Ambassadors. Grades for summer camp are based on a camper's fall 2023 school grade.
