GIRL SCOUTS ON THE GO!

Kick off your Girl Scout year with a fun-filled event! Girl Scouts can try out a wide variety of STEM concepts at hands-on activity tables, hosted by program partners.

Find out what happens when you put a marshmallow in a vacuum chamber, build your own water filter, and solve a coding puzzle!

Jump into a more in-depth experience and earn a badge with an optional workshop. We'll have robots, airplanes, and more! Plus you can check out STEM projects completed by Girl Scouts at the Girl Scout Science Fair.

Your \$27 registration fee includes a fun patch. STEM Expo is for Girl Scouts of all ages. Bring the whole family for a full day of fun!
