

2026 Summer/Fall Program Guide

**June-
December
2026**

Introduction

I'm so excited to welcome you to the 2026–2027 membership year. It is my hope that this season strengthens every girl's courage, confidence, and character while creating lasting memories, meaningful friendships, and a sense of community that will stay with her for years to come.

There is so much to look forward to this season. From Girl Scout Con, our welcoming celebration of all things Girl Scouts, to exciting events like the Run for the Cookies 5K, Cookie Rally, and Cookie University, every experience is designed to inspire joy, encourage growth, and help Girl Scouts develop the skills they need to become tomorrow's leaders.

Behind every adventure is our community of dedicated volunteers, caregivers, and staff members who help make the Girl Scout experience possible. Together, we are creating opportunities for Girl Scouts to discover their strengths, embrace new challenges, and make a positive impact on their communities.

Whether your Girl Scout wants to explore the outdoors, dive into STEM and the arts, strengthen leadership skills, or simply build lasting bonds in a space that is safe and empowering, we welcome them with open arms.

This Program Guide is your invitation to explore all that Girl Scouting has to offer. Inside, you'll find opportunities to experience the joy that has inspired generations of Atlanta Girl Scouts and families.

Yours in Scouting,

Jai Ferrell
Chief Executive Officer

ABOUT GIRL SCOUTS

What Is Girl Scouts?

Girl Scouts began in 1912 with just 18 trailblazing girls right here in Georgia. While most women had recently earned the right to vote, many still followed strict social norms and restrictions educationally and financially. The Girl Scout organization changed this.

Girls were encouraged to embrace their unique strengths and create opportunities based on their interest, not someone else's. Girls began participating in areas previously limited to them, including sports, science, and outdoor adventures. The values instilled in girls more than 100 years ago are still true today – helping every girl unlock her full potential, find lifelong friends, and make the world a better place.

Girl Scouts of Greater Atlanta serves more than 33,000 girl and adult members in 34 counties in the greater metropolitan Atlanta area. Tucked away in the heart of Atlanta and next door to the historic Camp Timber Ridge, the Mableton Service Center is home to our staff offices, retail store, and resource center for volunteers.

Girl Scout Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Girl Scout Promise

On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

Girl Scout Law

I will do my best to be:
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do,
and to:
respect myself and others,
respect authority,
use resources wisely,
make the world a better place,
and
be a sister to every Girl Scout.

A Journey Through Girl Scouts

Girl Scouts is more than a moment; it's a journey. Each level offers new adventures, skills, and unique opportunities tailored to a girl's age and stage. The longer they stay, the deeper the impact. From planting seeds as a Daisy to changing the world as an Ambassador, every step is rooted in joy.

DAISIES
(Grades K-1)

From planting a garden to making new friends, everything sparkles with “Girl Scout newness.” Daisy experiences are an adventure filled with sisterhood, giggles, learning, and fun.

BROWNIES
(Grades 2-3)

Brownies are all about curiosity and exploration. Whether it's trying new games, diving into the outdoors, or discovering new interests, Brownies build skills and broaden horizons together.

JUNIORS
(Grades 4-5)

Juniors step into leadership while having fun along the way. They earn their Bronze Award, take on troop projects, and start turning ideas into action.

CADETTES
(Grades 6-8)

Cadettes embrace independence, discover new passions, and grow as changemakers. From earning the Silver Award to joining big events, Cadettes dream big and go for it.

SENIORS
(Grades 9-10)

Senior Girl Scouts expand their world—whether it's traveling abroad, starting career prep, or working toward the prestigious Gold Award. They're confident and ready to lead.

AMBASSADORS
(Grades 11-12)

As the final step before adulthood, Ambassadors innovate, lead advocacy projects, and prepare for the future. Whether earning the Gold Award or mentoring younger girls, they leave their mark.

Girl Scouts of all levels who participate in the experience without a troop are called Juliettes.
