

# GSGATL Cookie Booth Locations

2026 Locations Offered by Greater Atlanta & GSUSA National Partnerships

The locations listed below will be secured either by GSGATL or through a national Girl Scout partnership. **Troops should not contact these locations** as all partnerships, scheduling, and signups are being coordinated by GSGATL or your local Service Unit Cookie Manager. With the exception of Walmart & Sam's Club, which will have local signups, Cookie Booth slots for the locations below will be available for all troops to reserve in eBudde on a first-come, first-served basis starting January 16 as schedules are confirmed.

For more information on reserving a Cookie Booth slot in eBudde see page 25 of your Troop Cookie Manager Guide.
