

Girl Scouts is worth sharing! Invite other girls to join the fun!

Cookie time is a great time to share all the fun you are having with other girls! And cookie booths are the perfect place to invite a new girl to join Girl Scouts!

Invite new girls to join Girl Scouts and your troop can earn free fun patches. Fill in each space below and email to communityengagement@gsgatl.org. We'll follow up with each potential new Girl Scout about how to join!

Easy right? And the best part is that if you get at least 20 new girls' contact information then every girl participating in the cookie program earns a FREE fun patch!

Share the fun. Get a patch

To earn the fun patches submit at least twenty (20) fully completed contacts with your troop's final cookie paper work. Only girls participating in the cookie program can earn the fun patch. We will mail the fun patches to the troop leader's address so they can be distributed with other cookie rewards.
