Order Received (In-Person Delivery)

Congratulations! Your Girl Scout received an order and the customer requested she deliver the cookies in person. Below we will walk you through the steps that need to be taken prior to delivering the cookies.

Step 1: If you receive an In-Person Delivery order that you need to approve and you have not approved the order by midnight, you will receive an email from email@email.girlscouts.org with the subject “Action required: you have an in-person delivery request!” letting you know your Girl Scout has received an order for delivery. Hooray!

Step 2: Click the button “Log In Now” in the email. That will take you to Digital Cookie where you can log in or go to digitalcookie.girlscouts.org and log in.

You have an order waiting to be approved for delivery!

Dear Emily,

Good news! Ayla has new cookie orders pending approval for in-person delivery. Can you please review the request?

Here's what comes next:

- You have five days to approve each order, or it will automatically switch to either a donation or a cancellation, depending on what the customer specified as the secondary option when placing the order.

Before you approve the order, please:

- Make sure the person you're delivering to is a trusted contact.
- Confirm that you and your Girl Scout can safely deliver to the required location.
- Make sure you and your Girl Scout have the correct amount and type of cookies the customer ordered, or that you can get them in time to fulfill the delivery. If you have any questions about inventory, your family should contact your troop cookie manager.

Thank you,

Girl Scout Cookie Program

Step 5: When determining whether to approve or decline the order, consider:

- Is the customer a known and trusted individual?
- Are you willing and able to get the cookies to the customer’s location before the end of the sale.

AND

- Do you have or will you have the inventory available?

If so, “**Approve Order.**”

If you are unable or unwilling to fulfill the customer’s order, click “Decline Order” and the order will default to whatever second option the customer has selected: “Cancel” or “Donate”.

Step 6: There are multiple ways to approve and decline orders for delivery.

1. Check the boxes in front of the orders you want to approve or decline and then click “Approve Order” or “Decline Order”
