We're Here for You!

Our dedicated team is ready to support you every step of the way! From comprehensive training to real-time assistance, our website offers all the resources you need for a successful Cookie Program. Don't forget to check out our step-by-step videos, downloadable materials, and email archive for extra tips and tools.

By volunteering with your troop, you empower young girls to build confidence, develop crucial skills, and achieve their dreams. Thank you for being an essential part of the Cookie Program's success!

For additional assistance, contact us at helpline@gsgatl.org

1. Attend Cookie Training

Kick things off by joining your Service Unit for Cookie Training! First-time Troop Cookie Managers can also participate in a special session by Girl Scouts of Greater Atlanta on December 5. Register at **Cookies.GirlScoutsATL.org**. (Can't make it? No worries—a recording will be available!)

2. Verify Your Girl Roster

Log in to your eBudde account to confirm your troop roster and ensure everyone is ready for an exciting cookie season. Visit **CookiePortal.LittleBrownie.com** to log in

3. Review Your Materials

Dive into the materials in this box! You'll find everything you need for an amazing Cookie Program, including the Troop Guide, extra order cards, and booth permission forms.

PRO TIP!

Use the Girl/Parent Discussion Guide on pages 10-11 of the Troop Guide as a helpful template!

What's Next? Schedule a Parent Meeting!

Gather parents to discuss the basics of the Cookie Program. Highlight what their girls will learn, set troop goals, review important dates, and explain how products will be distributed and funds collected.

Don't Do It Alone!

Engage parents to assist with:

- Sending reminders for cookie activities and deadlines
- Picking up additional orders from the cookie cupboard
- Collecting and depositing money, and issuing receipts
- Helping with reward selection and distribution
- Securing booth locations and coordinating sign-ups for shifts

Use the sign-up sheet below to help you get started!
