

Confirm your cupboard pickups!

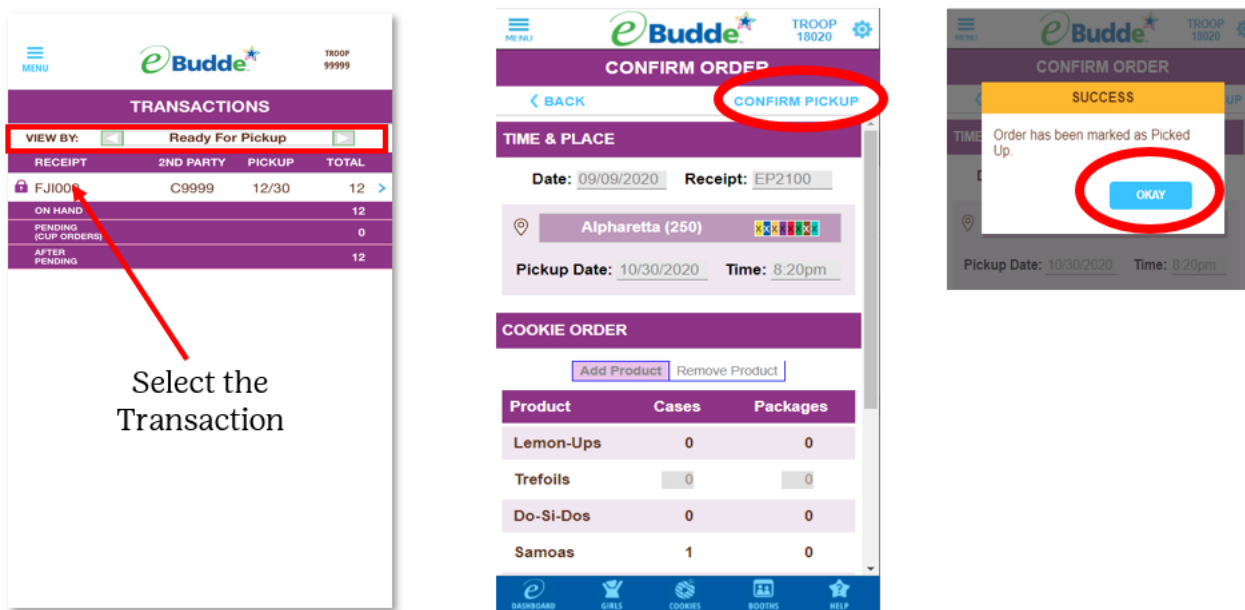

All cupboard orders that have been received must be confirmed in eBudde - it's quick and easy!

Confirm orders with the eBudde app.

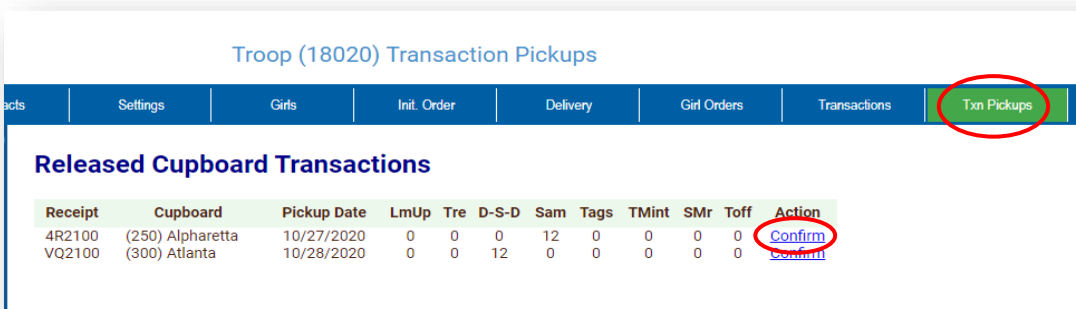

Two ways to confirm: (1) Use the calendar icon on your app to view the order that has been released for your confirmation.

(2) Tap on MENU, Troop Transactions, and use the arrows to scroll to *Ready for Pickup*, select the transaction, Confirm Pickup AND tap OKAY.

Confirm orders on the eBudde desktop version.

REMEMBER:

- Every person picking up from a Cookie Cupboard must be identified as a Troop Leader, Troop Cookie Chair, OR Troop Cookie Pickup User in eBudde.
- All orders should be placed in FULL CASES, package requests will not be honored.
