Camp Like a Girl Scout

Girl Scout summer camps spark confidence and joy in the campers who attend. We call it “camp magic.”

Camp is a transformative experience for children of every age. When a camper leaves home and enters the world of camp, they grow by learning new skills and become stronger and happier by making new friends.

Our trained and caring staff members support Girl Scouts ages 5–17 in discovering who they are and who they can become. Grades for summer camp are based on a camper’s fall 2025 school grade. Our engaging programs and activities are designed with campers’ interests in mind so they can grow their passions and take healthy risks in a safe, supportive environment. At Girl Scout Camp, we expect everyone to always respect and treat each other with dignity, honesty, and compassion. Girl Scouts of Greater Atlanta offers both day camp and sleepaway camp sessions.
