OGAB APPLICATION

The Older Girl Advisory Board (OGAB) is the premier leadership opportunity for Senior and Ambassador Girl Scouts in the Greater Atlanta council! Focusing through a DEIA lens, OGAB has the chance to directly impact the programs and experiences offered to Cadette, Senior, and Ambassador Girl Scouts! The application is open February 1st - March 15th with interviews and acceptances sent out on a rolling basis. This is your chance to make your voice heard throughout the Girl Scout year and make a change.
