A Cadette, Senior, Ambassador Experience

2025 Camp CEO Recap!

The sky wasn't always sunny, and the ground was often wet. There was no cell phone service, and the internet was anything but reliable.

Yet, the 9th-12th grade Girl Scouts (many of whom started off as strangers but left as sisters and friends) still described Camp CEO 2025 as "INCREDIBLE!" As one Girl Scout shared, "In my opinion, it is the best program you can do in Girl Scouts. It encompasses every aspect that we strive for."

Starting on Tuesday, May 27, 2025, these 31 high school Girl Scouts learned how to grow a professional network, start conversations with top executives and CEOs, as well as what strengths they bring to a team.

CEOs arrived on Wednesday and spent two and a half days pouring out wisdom, sharing stories from their lives and careers, plus joining Girl Scouts in camp activities like archery, tie dye, meeting the horses, waterfront activities and more. "I loved how we all, despite our backgrounds, despite our differences, despite our views on things, still were able to connect. I loved how the CEOs treated us kindly and welcomed us all with open arms," said another Girl Scout.

On Thursday evening, participants displayed their most authentic selves at the "Unmasked Ball," where the theme was sharing a little about yourself through clothing. Outfits ranged from PJs and stuffies, pageant dresses, and butterfly tiaras to gardener aprons, Japanese fashion, and even a look inspired by Prince! There was a costume contest, s'mores, and dancing all night.

To sum up the Camp CEO experience, one Girl Scout said: "Throughout this program we got many tools and advice to help us achieve our goals. As well as uplifting conversations that helped inspire us for our future."
