Earn Your STEM Coat Program

What is the program?

- Citrus Council the first to have the program
- It is an exclusive program event series
- The events will not be offered to other Girl Scouts, only for this group of girls.
- New and Current Program Partners, including:
 - Atlanta Zoo
 - Georgia Aquarium
 - GSMA (AI and Coding Company)
 - Atlanta Botanical Gardens
 - Georgia Tech, and others

New Earn Your STEM Coat Patch

Earn Your STEM Coat Program

- Girls in this program will have more specific and immersive experiences at each event than they would have at “regular” Girl Scout STEM Events
- If your daughter is interested in STEM in any capacity, this program is for them!
 - They will earn the STEM Coat Patch
 - STEM Badges
 - Think Like An Engineer Journey
 - Lab Coat

How Does It Work?

- Register your girl at https://www.girlscoutsatl.org/en/events-repository/2019/earn_your_lab_coat.html
- Cost: \$300 (must be paid all upfront)
 - Cost includes lab coat, entrance fees/program admin fees, lunch for some of the events, program supplies, badges, and the STEM Coat patch
- **30** slots available for girls this year.
 - First come, first served
- Registration begins **8/22/19** and end **9/13/19** at 12 midnight. ***There will not be any exceptions to this deadline.***

How Does It Work?

- Girls must commit to the entire two years of the program. ***No refunds will be issued for girls who cannot complete the program.***
- MUST Attend at least 3 events per year, but can attend more events if they want to.
- More events may be added as our Program Partner List grows.
 - Communication will mainly be via email or text.
- Expected Graduation Ceremony in May 2021

FAQ

- **Will Parents be able to attend the events with the girls, if needed?** *Yes. However, council staff will be on hand at all events so if a parent wanted to leave, it would be okay to do so.*
- **Is the entire payment due now?** *Yes*
- **Will there be time to register a girl later this Girl Scout year?** *No. We will have a new cohort of girls next year for the program, so stay tuned for the announcement.*
- **How many slots are available for the program?** *This year we only have 30 slots available.*
- **How will changes be communicated to parents?** *Communication with parents will be via email or text.*
