S.T.E.M. Programs (Science, Technology, Engineering, & Math)

What does being in Robotics look like?

It looks just like a troop!

- Teams have 6-10 girls and 2 parent coaches
- GSGATL provides equipment and competition fees
- You work together to learn to program and complete missions!

How do I become a part of robotics?

- Be a registered Girl Scout
- Form your team
- Pay a \$35 registration fee per girl
- Sign up for a team # through GSGATL by contacting Caitlyn Brune at CBrune@gsgatl.org
- Follow further instructions from First
