PARENT PERMISSION AND FINANCIAL RESPONSIBILITY FORM

READ, SIGN & RETURN TO TROOP LEADER/TROOP TREATS & KEEPS CHAIR

I have attended my troop's meeting for girls/parents and/or met with the Troop Leader or Troop Treats & Keeps Chair regarding my Girl Scout's participation in the 2014 Girl Scout Treats & Keeps Program and agree to:

-  **Be honest and fair: Adhere to program dates: September 2, 2014 girls begin to take orders** using the order card for chocolates/nuts and/or paper order forms for magazines and photo keepsake items. Girls/parents can also send emails using the QSP site to invite family and friends to make online purchases for chocolate/nut items, magazine sales or photo keepsake items.
-  **Abide by all deadlines and guidelines** set forth by the troop leader/ Troop Treats & Keeps Chair and program materials that I receive on behalf of Girl Scouts of Greater Atlanta.
-  **Provide proper supervision and adult guidance** to your Girl Scout throughout the program and assist her in making prompt delivery of chocolate/nut items to her customers.
-  **Be responsible for all chocolate/nut items received and all money collected.** All items are sold for their listed cost (no tax). I also understand that chocolate/nut items cannot be returned, and that I am financially responsible for all products received on behalf of my Girl Scout.
-  **Do not hold on to large amounts of money**, if lost or stolen, I understand that I am responsible for replacement of the money.
-  **Turn in money collected** from customers to the Troop Leader/ Troop Treats & Keeps Chair on a regular basis.
-  **Always get receipts** for chocolate/nut items received AND money turned in to the troop. This is your proof of payment for goods received should there be a dispute with the troop leader/ Troop Treats & Keeps Chair.
-  **Pick up earned rewards for your Girl Scout during the designated timeframe** set by the troop leader/ Troop Treats & Keeps Chair *Note: No adjustments/exchanges to rewards will be made by the council after December 31, 2014.*
-  **Acknowledge that each electronic item earned has a standard manufacturer's warranty.** GSGATL offers no warranty for any girl rewards received beyond the manufacturer's warranty for any items earned through the program. As a parent, you are eligible to purchase the extended warranty on any electronic item by the designated program deadline, if you so choose.
-  **Acknowledge that failure to pay for products received by you or your Girl Scout is unacceptable.** Not paying your balance in full will cause earned girl rewards to be withheld until the amount due has been satisfied and/or will result in collection and/or legal action.

My daughter, _____ a member of Troop _____, has my permission to participate in the 2014 Girl Scout Treats & Keeps Program. I agree to turn in all money to the Troop Leader/ Troop Treats & Keeps Chair by the designated troop deadline. I am responsible for obtaining and keeping a receipt for the money I turn in to the Troop Leader/ Troop Treats & Keeps Chair. I understand that failure to pay for all products received will result in a delinquent account. The troop or GSGATL may take appropriate legal action as deemed necessary to successfully collect the debt. All fees charged in conjunction with this process will be my responsibility, including but not limited to attorney fees, court costs and collection fees.
