

# Parent Permission & Financial Responsibility Form

READ, SIGN & RETURN TO TROOP LEADER/TROOP TREATS & KEEPS CHAIR

**As a parent/guardian of a Girl Scout participating in the 2018 Treats & Keeps Program, I agree to:**

**Abide by all start dates & deadlines established by the Troop and Girl Scouts of Greater Atlanta**

- I will honor the program start date of September 1, 2018. At this time my Girl Scout can begin to take orders using the Order Card and sending emails for online orders of all products (chocolates, nuts, magazines and more) through the Unify site.
- I will turn in orders and money to the Troop by the predetermined dates.
- I will pick up all earned rewards for my Girl Scout during the designated timeframe set by the Troop Leader/ Treats & Keeps Chair Note: No adjustments/exchanges to rewards will be made by the council after December 31, 2018.

**Provide proper supervision and adult guidance to my Girl Scout**

- I will assist my Girl Scout in making prompt delivery of chocolate/nut items to her customers.
- I will supervise my Girl Scout while online and monitor her Unify online sales activity

**Be responsible for all products and money entrusted to me**

- I will sell all items at their listed cost (no tax).
- I will turn in money collected from customers to the Troop Leader/Treats & Keeps Chair on a regular basis and get a receipt for items received and/or money paid to the Troop to have on hand should there be a discrepancy.
- I understand that products cannot be returned and that I am financially responsible for all products for which I have possession. If products and/or money are lost or stolen, I understand that I am responsible for replacement.
- I acknowledge that failure to pay for all products received is unacceptable, and by not paying my balance in full by the deadline, I will cause my Girl Scout's earned girl rewards to be withheld until the amount due has been satisfied. This could result in collection and/or legal action taken by the Troop and/or Girl Scouts of Greater Atlanta. All fees charged in conjunction with this process will then become my responsibility, including but not limited to attorney fees, court costs, and collection fees.
- I acknowledge that there is a standard manufacturer's warranty for all electronics my Girl Scout earns in the program. As a parent/guardian, I am eligible to purchase an extended warranty on any electronic item by the designated program deadline, if I choose.

My daughter, \_\_\_\_\_ a member of Troop \_\_\_\_\_, has my permission to participate in the 2018 Girl Scout Treats & Keeps Program. By signing below, I confirm that I read and agree to the provisions/guidelines for participation outlined above.
