In the instance of an adult applying for an educational opportunity there may not be a troop number or position associated, and those lines may be left blank. The program level option, can be checked for adult applicants, which would indicate the program level of girls you volunteer with. Please be sure to include the service unit name. If your daughter is an Independent Girl Scout, parents can write in zeros for the troop number and write "Independent" for the troop leader.

**SECTION II:** The United Way and other donors **require** information on the household income of the families we serve and your request will not be granted if left blank.

**SECTION III:** This section is used when requesting program supplies for **girl members only**. If request is granted, the supplies will be mailed from the Badge & Sash to the name and address listed in Section I.

**SECTION IV:** This section is used when requesting assistance to attend a **council event** or **council approved day camp** only.
